— Serenity Contentment Tranquility —

Young America® reinterprets classic Louis Philippe styling with the introduction of the 30-piece Serenity Collection. Crafted of maple veneers and solids in a cinnamon cherry finish, Serenity becomes a sophisticated new companion collection to the new generation of the crisp white Contentment and the honey maple Tranquility collections, with new additions to Young America Baby™ as well.

Young America® is the industry leader in youth furniture. Differentiated by classic styling, with the same quality construction as adult furniture to grow with the child from crib to college and beyond, more than 20 different collections and finishes make ours the broadest selection in our market segment. The synergy of Young America® is in its style, selection and longevity.
